

FIREVIEW STOCK DOOR

The Fireplace is the heart of any home. Enhance the beauty and warmth of your home with a new Fireview Glass Enclosure by Custom Firescreen Inc.

FIREVIEW STOCK DOOR by Custom Firescreen Inc.

The Fireview is a glass firescreen crafted with quality and elegance by Custom Firescreen Inc. It is built in standard sizes and is modeled after our very popular Genesis bifold custom enclosure. Available in Black, Plated Polished Brass, Solid Polished Brass, Plated Antique Brass and Solid Antique Brass. Also available with Bronze or Smoked Glass.

The Custom Fireview Stock Door gives you the option of using one of our other specialty metals and tinted glass to design these glass doors to fit your taste. Available in Satin Brass, Chrome, Smoked Chrome and Brushed Nickel.
